

## Private Label Program

If you are looking for a unique way to commemorate a special occasion, we invite you to explore the Mazza Vineyards Private Label Program. The Private Label Program allows you to share our wines with your family, friends and business associates while serving it from bottles featuring labels designed especially for you.

**Weddings & Anniversaries.** Toast the bride and groom with sparkling wines featuring a decorative label commemorating their special day.

**Holiday Gifts.** Your business associates will appreciate the gift of wine during the holidays. When serving it, they will remember your generosity when they see the customized label featuring your business name or logo.

**Class Reunions.** Re-live your high school memories while celebrating with Mazza Vineyards wines bottled and labeled especially for your class.

**Restaurants.** Your customers will enjoy sipping your Mazza Vineyards House Wines, especially when they take note of your customized label.
